

LUCKY MAGAZINE December 2003 - Atlanta Skin Solutions Buckhead medi-spa skincare clinic

LUCKY MAGAZINE 2002

This stylish medical skincare clinic is one for Buckhead's best-kept secrets. Services by owners/medical aestheticians Jennifer Lepus and Maureen Hermann include microdermabrasion anti-aging treatments, Botox and collagen services, laser hair removal, cellulite treatments and permanent makeup applications. New to the clinic is the Epicuren skincare line, formulated to combat aging and designed to increase skin's firmness and elasticity. Skin Solutions is offering Lucky readers a 15 percent discount on all treatments and Epicuren products through July.
